

# Getting Started with SG Courts Mobile App

## Step 1: Download the App

To use the SG Courts Mobile App, get your administrator to enable your Mobile App Access in your eLitigation user profile and download it from the **Apple App Store** or the **Google Play Store**.

## Step 2: Signing In

Click on **CorpPass** icon and sign in with your **CorpPass credentials** (JEN/Entity ID, CorpPass ID, Password). *If you have multiple law firm profiles, select the correct one to use.*

See your hearings in the Calendar in **Month, Week, or Day** view after clicking on the **Calendar** icon.

## Header Panel

Shows your login name, law firm name.

Read your **Case Notifications** from here.

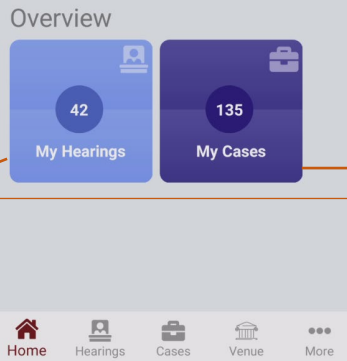

## Quick Links Panel

**Venue Info** shows your hearings in all courts by venue.

## Overview Panel

**My Hearings** shows your hearings for today.

**My Cases** gives you access to your or your law firm's case files.

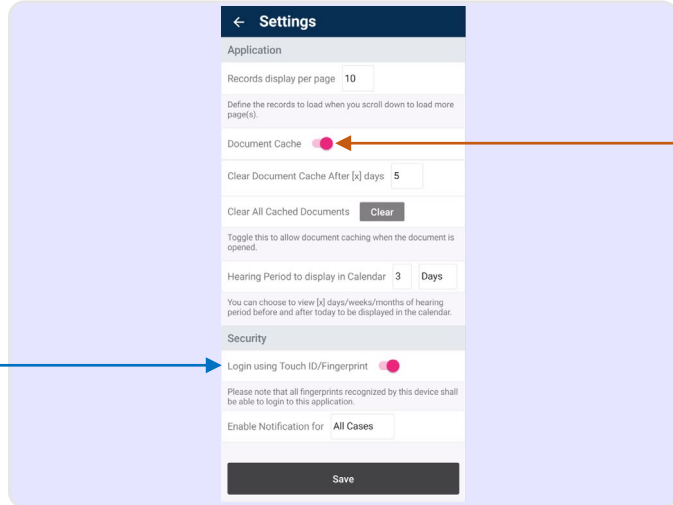

**Search** in **My Cases** and **Law Firm Cases** by **case number** or **case name**.

Click on the **relevant case** to view the case file in detail.

**TIP:** You can enable **Fingerprint / Touch ID / Face ID** login from the "More Settings Screen".

**i** Use **WIFI** to reduce mobile/telco charges.

## TIP:

Turn on **Document Cache**. This will speed up viewing of cached documents. **Cached documents** have a **green** icon.
